GRACE
happens

at
St. John's Lutheran Church
Kittanning, PA

*For 200 years St. John's has been a bright
beacon of Christ's light and life
for the world.*

200 years and the work continues:

That all might know Christ's Love.

What we do at St. John's matters deeply. 200 years of being a beacon of God's light for the people of Kittanning, Armstrong County, Pennsylvania, the world.

It is easy to take St. John's for granted. The impact through the years often goes overlooked and unrecognized, but it is there nonetheless. Every single worship service, every single Sunday School has impacted lives.

The body of Christ at St. John's has provided for Missionaries, built seminaries here and abroad, raised up pastors for the Church, supported mission congregations, built a church in Haiti and cabins at church camp, sent youth and adults on mission trips, supported our troops, provided for campus ministry, fed the hungry, clothed the naked, cared for the sick and aged, the widowed and orphaned. The list goes on.

The Mission and Ministry of St. John's begins with you. You are God's precious possession. We are called to spread the good news of His love with those who need to hear and know of His love this next 200 years.

See you in Worship,
Pastor Johnson

Christ is enough

Though never ordained, H.A. Ironside (1876-1951) was a prolific Bible teacher and preacher. Inspired by Dwight L. Moody, he began delivering sermons at age 16. While still a teenager, he worked his way up to captain in the Salvation Army. But he soon had a breakdown from preaching more than 500 messages per year — and from feeling burdened by sin.

After Ironside recovered, his ministry blossomed. He pastored Moody Church in Chicago for 18 years while continuing his evangelistic travels. Most importantly, he learned to rely on Christ alone, not on his own merit.

"Christ *and* ... is a perverted gospel, which is not the gospel," wrote Ironside. "Christ without the *and* is the sinner's hope and the saint's confidence." He concluded, "For salvation itself, Jesus is not only necessary, but he is enough."

SEEKING HOMEBOUND EUCHARISTIC MINISTERS AND VISITORS

Please prayerfully consider being a blessing to our homebound members by becoming a part of our Homebound Ministry where we provide a critical connection for our homebound members to the full church community. When our members are homebound and unable to attend worship, the **Eucharistic Ministers** will bring them Holy Communion once a month. *This is not just any bread or wine, but the Body and Blood of our Lord and Savior, consecrated on the altar on Sunday morning.* Readings from the worship service and an update to current events through the bulletin are also shared during these home visits.

If you are currently bringing Holy Communion to Shut-ins, or would like to begin delivering the "Bread of Life," please see Pastor Johnson.

Homebound visitors make a monthly visit to a homebound member to offer words of prayer, encouragement and to share in the life of our faith. Touch others and be touched by being part of this important ministry. You may choose to be a Eucharistic Minister, homebound visitor or both. This is such a rewarding experience - sharing our faith, the life of the church and touching the lives of our senior members. Our list has grown and we need more members willing to make visits. Let's not let our homebound members feel as though they are forgotten.

If you are interested or would like more information, please contact Pastor Johnson, 724-548-2051.

Life to Life Discipleship Class

Wednesdays at 7:00 Beginning Oct. 6th

Imagine what it would be like, and what Jesus would do through us in the North American Lutheran Church (NALC) if we collectively renewed our commitment to our Lord's commission to make disciples, and if we together reaffirmed our desire to become the fulfillment of his commandment that we love one another as he Has loved us?

Imagine what might happen, if every pastor and every congregation and every member in our church body made this same personal commitment to be living witnesses to and for our risen Lord Jesus?

Do you think this renewal could happen in St John's and community? Jesus did, or He would not have gathered you together and placed you where you are. Do you think this life-changing transformation could happen in your family and in your own personal life? Your Lord must have thought it could, or He would not have called you as he has.

An Experience in intentional Discipleship for Congregations.

In order to encourage our congregations to be more intentional in living out the Great Commission, the NALC has developed a program designed to engage our congregational leadership in learning how to have discipling conversations with others in ways that are faithful and natural. Discipleship, however, is about more than simply learning techniques or conversational starters. Though we can teach someone how to proclaim the good news of Jesus, we cannot implant the desire to share the gospel with others. Only the Holy Spirit can do that. For this reason, This exercise in discipleship is intended to be an experience rather than a course. Yes, it will engage the mind in sound learning but the ultimate goal is to change hearts and implant a deep desire to live out the Great Commission in our personal and congregational lives. In pursuit of this goal this experience will focus on three essential areas.

1. **One with God** – It is important to remember that we make disciples as disciples. In the great commission (Matt. 28:16-20) Jesus sends his disciples to make disciples and promises to be with them forever. We cannot convince others of the importance of following Jesus if we are not doing so ourselves. For this reason each participant will be asked to devote time each day in prayer, meditation, reflection on God's word and honest evaluation of their personal discipleship.
2. **One with another** – Proverb 27:17 states, "As iron sharpens iron, so one person sharpens another" NIV. At the heart of this Life to Life discipleship experience is learning how to engage others in faith conversations. Each participant will be asked to put what has been learned into practice by partnering with one or two others between each session for mutual support and conversation.

3. **One Body in Christ Jesus** – In his high priestly prayer Jesus prayed, “I do not ask for these only, but also for those who will believe in me through their word, that they may all be one, just as you, Father, are in me, and I in you, that they also may be in us, so that the world may believe that you have sent me.” ESV. All the participants will gather together either weekly or bi-weekly for learning, worship, prayer and mutual support.
