## July 2024

---

*Our Vision is to be a church  
for all generations nurturing the faith  
by supporting young families.*

When St. John's worships, all the baptized are expected to be present to worship our God. We worship Him in the most ancient, historical, western rite which dates back millennia. When we worship, we enter into something bigger than ourselves—for these are the ways of God.

When we worship, we enter into something that has been passed down to us, and we are dedicated to passing on the faith to upcoming generations. Children learn to worship by worshipping. There is no minimum age for worship, (nor a maximum age).

In fact, we are all the children of God—from the oldest to the youngest of us. Sometimes young families need help. When they do, remember to help. We worship God not as individuals, but as the body of Christ, the communion of saints, the holy catholic church. We are the community that the Holy Spirit has called together in baptism to worship the Father, the Son, and the Holy Spirit.

Worship is a gift from God. Spend time with God: praising Him, listening to His Word for our lives, being reminded of who we are and whose we are—we desperately need these things. The Lord provides.

See you in Worship,

*Pastor Johnson*
