June 2024

Jesus Christ is a dirty rotten thief
and it's about time
someone called Him out on it!

He robs me of my pretentious nature—I can't pretend to be something I'm not. I can't pretend to be better than I am because He knows me better than I know myself. All I am left with is the freedom to be me.

He robs me of my fear. When I find myself (often) in the valley of the shadow of death (real and imagined) He is with me and has promised to lead me through—no matter how dark and fearful the valley I happen to be treading through. I am never abandoned or alone.

He robs me of my enemies. Sin, Death, and the Devil have already been defeated by Him. He wins in the end and He has promised us eternal life with Him.

He robs me of my hate. He has taught me to destroy my enemies by loving them.

He robs me of my anger. He has taught me to forgive.

He robs me of my problems, for all the big problems in life are solved in Him.

He robs me of misinformation, for He is the Truest Truth.

He robs me of misdirection, for He has shown me a still more excellent way.

He has robbed me. He has cleaned me out. He has stolen all and all am left with is joy.

See you in Worship,

Pastor Johnson
